***Here's what Judy has
done for us already:***

Judy hit the ground running by being named to **6 important County legislative committees:** Budget & Appropriations, Legislation, Environment, Parks & Recreation, Health, and Chair of Community Affairs.

Judy passed legislation that moves Westchester County forward in its quest to **preserve Davids Island** as a county park for all to enjoy.

Judy got funding for: much needed maintenance of historic **Rye Playland**, wetland restoration in **Harbor Island**, a new roof at the **Mamaroneck CAP Center**, and new programs at the **Larchmont-Mamaroneck Hispanic Resource Center**.
